Tallinn City Break

Tallinn is the capital of Estonia and is also the oldest capital of Northern Europe, dating back to 11th century. The old town is a fascinating example of Gothic architecture of the Baltic and Nordic countries. The cities "must see" attractions include the Dome Church, the Russian Orthodox Cathedral of A. Nevsky and the Town Hall Square. St Olaf's church was also the tallest building in the world until the late 1800s. The old town can be explored in just a few hours on foot and is also included on the UNESCO World Heritage List.

We can combine return flights to the capital of Estonia with your choice of 3, 4 or 5 star hotels . In addition, you can also book various upgrades and tours as you wish.

Your city break will include:
